

# Two Danes

**AW 21**

**COLLECTION PREVIEW**

## INSPIRATION

For our AW 21 collection we stayed at home in more than one way - we created designs that feels like home to us, designs that express the quintessential Two Danes spirit.

Our focus has been on creating clothes that you will love, clothes that is easy to wear and color and prints that ignites happiness - with graphic shapes and beautiful colors.

Two Danes' heritage is the Scandinavian minimalist aesthetic infused with a playful colour scheme.

We always strive to create high quality clothing, with a complimenting fit and designs that transcend seasons.

We aim for an effortless comfort and elegance, and consistently use natural materials.

We look forward to showing you our new collection.
